

# Nevada Soccer Board

November 3, 2009

State Bank 7:00 pm

Present: Jeremy, Brian, Steve, Mark, Sarah, Beth

Pictures are out and delivered. There were issues this fall with the new uniforms. It was decided that we need to do a better job of informing parents about the uniforms and changing the registration form to include a space where the parents can list the children's sizes. We also need to make a statement that they need to purchase a complete uniform from Ben Franklin. The hope is that we will keep these uniforms for at least a few years.

This change will be done for the spring 2010 season to alleviate any questions/problems with parents. We also mentioned placing it on the registration form in bold and also on the web site as a reminder before they submit their registration.

Sarah will get the paper copy from Kenzie and make it ready to review for the next board meeting. We will also make changes to the web site.

Steve will write a letter to overview costs, and the board's goals/duties and general information to be emailed to all families participating in Nevada Soccer (letter emailed for review 11/4/09 and going out mass email soon).

Burke – Jeremy signed a letter stating that NSC has not used land and does not plan to use it in the next 1-2 years. It was also asked how much we would be able to modify to use the land. The letter was sent to Bill last week.

Fields – Tim wants to meet with someone regarding fields in the middle of November. Mark will contact him to meet.

We need people to fill positions for the board.

We will give paper forms for the spring season on the first day kids return from Christmas break.

Newsletter was discussed – It was decided to put one out 4 times a year. Before and after the fall and spring seasons. Several items could be on it. All the soccer dates – start and finish, shoe and shin/guard exchange, Iowa State soccer dates, registration reminders, recruitment for the board and any pictures or highlights, fees and uniforms and what the board does and is about. Beth will work on this for the next meeting. (feel free to add any information that would be helpful)

NOTE: All Board Members: the December Board meeting will be a very important one and it would be great if all of the board could be in attendance as we are trying to make some decisions of what direction the Board is going to take in the future. Please mark your calendars for the above and plan to attend.

Thanks.
